Why Join ANA? To BUILD your CUSTOMER BASE

MARKETING

Annual Directory and Buyer's Guide: More than 800 landscape architects and contractor companies, retail and wholesale nurseries, as well as industry suppliers receive this annual publication which lists ANA member name and business description. (2019 Circulation: 1,722; Reach: 4,000)

Online Listing: Updated and accurate ANA member list is available to all members on www.azna.org. (2019 Views: 1,750)

Instagram & Facebook: All members tagged/liked. Content continually updated. (2019 Follows: 925; Likes: 725)

REPRESENTATION

There is strength in numbers and together, the nursery industry's voice is powerful with ANA representing the nursery, landscape design and construction industry on state, local and federal issues for over 60 years.

ANA ensures industry stability and business success through its work at the State Capitol and AmericanHort in Washington, D.C. (www.AmericanHort.org)

Immigration

ANA is a voice for a legal and stable workforce. We work on the state level to safeguard that Arizona does not pass legislative bills that make immigration a state enforced issue and routinely travel to DC to work with Congress to affect immigration reform.

Labor

Shortages and work place regulations, including minimum wage, are critical issues for our industry and employees.

Crop Protection Products

Over the last two legislative sessions, we have successfully ensured bills banning neonicotinoids do not become law. In 2020, members save thousands of dollars through the ANA backed bill to remove taxation of critical crop inputs of fertilizers and chemicals, saving our members thousands of dollars.

Water

In conjunction with other agricultural groups, we remain active in Arizona's 4th and 5th management plans, as well as Pinal County issues regarding water supply and quality for our members. In 2019, members saved hundreds of dollars when ANA's supported bill was enacted to designate irrigation supplies as tax exempt. In 2018, ANA was instrumental in clarifying water used on a plant container as agricultural use.

NETWORKING

SHADE Conference: \$130/attendee

More than 500 nursery professionals, landscape architects and contractors, city employees and friends of horticulture attend this annual conference that offers educational CEU credit in four main industry tracks.

The MARKETPLACE at SHADE features over 50 trade displays and members receive a \$350 display discount.

DATE: Friday, September 4, 2020
JW Marriott Desert Ridge Resort

A Night Out With ANA: \$75/guest

The annual dinner program highlights achievements, presents member awards and scholarship funds to green industry students in an evening of socializing with industry leaders and friends.

A Day Out presented by ANA: \$2,500

ANA staff organized event that invites and secures attendees to strengthen existing relationships and develop new business opportunities specific to the member sponsoring the on-site networking event.
